Internet packages do not have usage limits,  
overcharges, or term contracts.

Prices do not include HST as they do not apply for  
services provided on reserve.

Installation of Fiber to the Home is of no charge on first passing by your home. If you decide to not get it installed and want it later there will be an installation fee.

Abuse and Misuse of Internet service is taken seriously and will result in cancellation of your services. Nothing should be adjusted, tampered or added. It is the customer responsibility to monitor what you and your family (children under 18) stream or search on the Internet.

Installed fiber and equipment is a one time charge and becomes the property and responsibility of the customer. Misuse or damage requiring a service call will incur a service charge of \$55, plus the cost of any equipment that needs to be repaired or replaced.

Fiber buried on customer property is the responsibility of the customer. If any work is being done on your property (construction, landscaping etc.) it is the customer responsibility to contact FNC/SNI directly for a locate. The customer will be responsible for the cost to repair any damage caused by the customer or their contractors.

We highly recommend a power bar or UPS with surge protection be used for all equipment.
