

To Our Valued Customers,

I am Writing this looking for support. First Nations Cable & Six Nations Internet applications for funding under the Universal Broadband Fund to improve broadband coverage in the territory Of Six Nations, Ontario.

This Application will extend broadband capabilities with speeds of at least 75 Mbps download and 10 Mbps upload up to a symmetrical gig to the community, providing residents and businesses with better access to government services, e-commerce, and Internet-based resources to stay ahead of the technology and e-learning curve.

For 30 years we have been in the community offering Cable and internet, we have achieved so much connecting the Schools, Police Station, Library, CKRZ, The Lodge, Small Businesses, and homes in the community. Our goal is to bring fiber to the home, have unlimited packages with no contract and affordable. We take pride in being from Six Nations owned and operated, having the community's support with extending our broadband is our number one goal.

We are asking you to sign this, in support of First Nation Cable & Six Nations Internet application to bring broadband into our community and your support with getting grant funding to fulfill this initiative.

Sincerely

Jeffery Thomas
